

# Walf for Dog Guides

REXTON, NB - The Rexton Lions Club in conjunction with Kent County Veterinary Hospital, held their 6th Annual Lions Foundation of Canada Purina Walk for Dog Guides here on Sunday October 7, 2007. The walk takes place in over 145 communities every year and is the largest

national fundraiser of its kind.

All proceeds from the walk help fund the Foundation's three Dog Guide programs. Canine Vision Canda, which provides Dog Guides to Canadians who are blind or visually impaired, Hearing Ear Dogs of Canada, which provides Dog Guides to

Canadians are deaf or hard of hearing, and Special Skills Dogs of Canada, which provides Dog Guides to Canadians who are medically or physically disabled and have mobility concerns.

This year's walk had over 40 participants and raised in excess of \$6200.00. Bringing

the six year total to over \$25000.00. For more information on the Lions Foundation of Canada Purina Walk for Dog Guides, please visit [www.purinawalkfordogguides.com](http://www.purinawalkfordogguides.com)
