

# Opinion Gas at Marina?

PHOTO CONTRIBUTED

It looks like they have finally started work at putting in fuel tanks for the fishermen & private boaters! Only in Kent County would you go most if not all of the summer boating season without a place to gas up. Let's hope this work will continue so we can all boat this winter!

Congratulation on a job well done by all those concerned with making sure the boaters had gas this summer. WELL DONE!

# Opinion Kent County Roads

PHOTO CONTRIBUTED

The first year of Premier Shawn Graham's mandate has come and gone and one of his commitments to his own riding was to improve the roads. The Premier is holding true to this promise

and we hope to see more of this great work over the rest of his term in office. The electorate of Kent appreciate your efforts.
